October 8th 2017

“Auseklis”, conference hall

Address: K. Valdemāra street 17A, Talsi

Managed by Talsi County municipality in cooperation with IDAI Talsi Business incubator

We invite to apply idea authors, business starters and experienced entrepreneurs to the seminar, who want to attract funding for starting a new business or expanding an existing business

Normunds Cizevskis: An entrepreneur and financial consultant with 13 years of experience. Specializes in financial planning, analysis and evaluation of investment projects. Since 2003 has participated in the development of several dozen business plans for companies from different sectors, has carried out more than 50 cost-benefit analysis of public investment projects *.

Included topics:

- costs, types, and revenues;
- determination of loss-free point;
- basic principles of financial analysis;
- analysis of alternatives and financial returns;
- cash flow and financial sustainability.

*Provides lectures in management accounting, advises companies on cost and revenue planning and analysis, and product costing.

Participation in the seminar: free

Live streaming will be available at: www.talsi.lv
