*Duration 24 months (01.05.2018 - 30.04.2020)*

# Summary of the project

LLI-269

SCAPE aims to improve public safety in the project area by improving skills for national security services and local government employees, by using modern technology in their daily work. The goal of the project then is to promote communication and cooperation between police and local governments along the Latvian-Lithuanian border, which is envisioned to not only increase security, but also the popularity of the region. In order to strengthen knowledge and capacity, 70 police officers and a total of 60 volunteers will participate in three joint trainings on how to use and apply modern technologies. These trainings will be given by local and foreign professional instructors and lecturers. In addition to this, a conference will be organised, where the exchange of experiences among different stakeholders will be possible.

## PROJECTED RESULTS

- DECREASE IN THE AMOUNT OF BICYCLE THEFTS
- EFFECTIVENESS OF TRAFFIC MONITORING INCREASED & RESORT POLLUTION REDUCED
- EFFICIENCY AND EFFECTIVENESS OF PUBLIC ORDER
- SAFEGUARDING IN RESORT AREA INCREASED
- PURCHASE OF MODERN EQUIPMENT: BODY CAMCORDERS, VEHICLE RADIO RECORDERS, POLICE BICYCLES, ELECTRIC CARS AND MINIVAN, TRAFFIC VIDEO RECORDERS AND A DRONE
