**The aim of the training** is to raise competence of persons working with at-risk children and youth and provide better understanding of this specific target group, as well as create the network for exchange information and best practice among professionals. This is the last training in the framework of the project.

Organizers of the training are Latgale Planning Region and Latgale Region Development Agency in cooperation with the foundation "Pievienotā vērtība". Foundation "Pievienotā vērtība" is active in linking formal and non-formal learning cooperating with schools, voluntary work (local and international level), implementing different trainings for young people and for professionals working with young people, providing individual support for young people at risk and high risk. Professionals of organization have wide experience working directly with children and young people, including children and young people at high risk.
